

Wrist Splint Open Appointment

You have been placed 'On Hold' as we expect your problem will improve with appropriate use of the wrist splint and following the advice in the information sheet provided.

If your problem worsens or fails to improve as discussed, please contact us again on _____ **before** _____

If phoning please tell us you have an '**open appointment for wrist splint trial**' following an appliance appointment with:-

If we do not hear from you by the above date we will assume that you are successfully managing your problem and can now be discharged from our system.

If you require further physiotherapy after this time please use the self referral service.
